

Strateji Portföy Aggressive Variable Fund (SVB)

Fund Overview

Investment Objective

SVB follows a fund strategy based on a value-oriented and contrarian investment approach. In the fund's investment process, temporary pricing distortions and market inefficiencies that arise during periods of tight market liquidity are evaluated. Accordingly, the fund aims to invest in assets that are assessed as trading below their intrinsic value based on fundamental analysis.

Fund Managers

Mehmet Ali Güleç, Oktay Okan Alpay
